

# Dodgeville Community Information Sign

## Request Form

The Dodgeville Community Sign is located north of the Chamber office on Bequette Street as you head into downtown Dodgeville. It is intended for advertising Dodgeville area community events. Sales, private events, restricted events, business services, denomination services, political events/forums, and events outside the Dodgeville area may not be advertised on the sign. Events are posted on a first come, first served basis. Events are posted no more than two (2) weeks prior to the event date. Please type or clearly print your message below. Up to 4 lines with about 25 characters per line including spaces are available per posting. Longer messages submitted will be edited to fit on the community sign. If there is a logo tied to your event, you can provide us with that for us to post with the information. **Websites will not be included since this sign is meant for drive by traffic.**
